FIRST-AID KIT

Create a first-aid kit for the whole family

WHAT YOU NEED

- Cardboard Box
- Glue Stick
- Markers or Crayons
- Paper
- Scissors

HOW TO DO IT-STEP BY STEP

1) Cut the paper to cover a box with a lid.

2) Attach the paper with a glue stick.

3) On the box, draw and color bandages and other first-aid items with your crayons or markers.

5) Write important phone numbers and safety reminders on the inside of the lid.

6) Ask your parent or guardian to help you put first-aid items in the box and store it in a safe place.
