PASTA FISH CRAFT
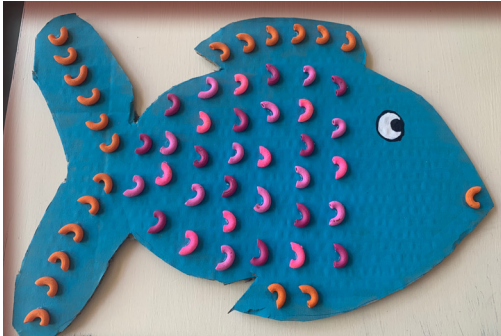

Create a colorful fish with pasta

WHAT YOU NEED

-Cardboard
-Elbow Macaroni Pasta
-Acrylic Paint
-Scissors
-Glue
-Googly Eyes (optional)

HOW TO DO IT-STEP BY STEP

1) Paint your elbow macaroni pasta and let it dry. Tip: Put paint into the bottom of a sandwich bag, pour the pasta in the bag, seal it shut and squish the pasta around to coat them with paint.

2) Cut a fish shape out of your cardboard.

3) Paint your fish and let it dry.

4) Once everything is dry, glue on the googly eye and the pasta all over your fish to make fish scales and fun designs.

5) Use a piece of pasta for the fish mouth because it works perfect!
